## **Agenda item 1: Introduction and agreeing minutes of previous meetings**

- Welcomed the group and agreed previous meeting minutes.

## **Agenda item 2: Update on review activity and recommendations development**

- Josh and the team updated the group on the review including review timing, engagement and evidence feeding into recommendations, call for ideas and a reminder of the problem analysis.

**Discussion:**

- A question raised on how the Star Hobson and Arthur Labinjo-Hughes - reviews will impact the timing of this review. The team confirmed that recommendations from the Review Panel into Arthur's death will be made available to Josh and the review, and we will take on board these recommendations before reporting in spring 2022.

### **Agenda item 3: Update and discussion on early thinking on review recommendations**

- The review team shared early thinking for recommendations with the group and the group were invited to share any initial feedback.

#### **Discussion:**

- *The discussion was confidential as it is not official review policy; therefore, minutes were not taken for this part of the meeting.*

### **Agenda item 4: Wrap up and AOB**

- Thanked the group for joining and close.
